*Explanation of funds:

Educational Opportunities Fund (AAUW National fund) provides funding for graduate women to further their studies, to improve their schools and communities, and to further opportunities for women and girls.

Anne Arundel Community College Transfer Scholarship (AAUW local fund) awards funds for one year to female students who have attended Anne Arundel Community College and who are transferring to or continuing at an accredited four-year institution of higher learning.

Women to Women Grants (AAUW local fund) provides several small educational awards to county women and girls to improve their access to careers through training, education and/or skills development.
