What is AAUW?

OUR MISSION: Advancing equity for women and girls through advocacy, education, philanthropy, and research.

The American Association of University Women (AAUW) is the nation's leading voice promoting equity and education for women and girls. Since our founding in 1881, AAUW members have examined and taken positions on the fundamental issues of the day -- educational, social, economic, and political.

What started with 17 like-minded women has grown into a powerful network that has influenced — and at times shaped — the debate over equity and education.

MEMBERSHIP: Anyone holding an Associate (e.g. RN), Bachelor's degree from a regionally accredited college or university is able to join.
